Team Camp

This camp is for junior high and high school teams and poses an excellent opportunity for teams to play and work together on different situations in a highly organized atmosphere.

We are here to assist high school and junior high coaches in all areas of the game to improve their teams. We expect to have all players involved in a positive competitive situation and to develop a commitment to excellence. Strong efforts will be made to allow each camper to make friends, have fun, and enjoy a great weekend of basketball. The team camp will have two divisions: Junior High and High School. Each participating team needs to have a minimum of eight players. Officials and score keepers will be on each court.

Advanced/Individual Camp

This camp is designed to give players the opportunity to develop their individual skills such as ball handling, passing, shooting, rebounding, and defense. Team concepts and full court games will also be included each day. There will be plenty of drills, contests, and basketball instruction each session.

Supervision and Rules

Camp participants will be supervised during all organized time and in the dormitory. Campers will be required to attend all assigned activities and instruction sessions and to comply with the rules and regulations of the governing conduct of all students on campus. Any violations or abuse of these rules and regulations will cause immediate dismissal from the camp without a refund. We will use every precaution to prevent accidents. We do not, however, assume any responsibility for medical, dental, and other expenses incurred as a result of accidents. Parents and guardians must sign this application before a camper will be accepted into the camp.

Insurance and Release

All participants will be covered by a secondary accident insurance provided by the camp’s tuition. The non-duplicating insurance policy covers medical expenses within the range of its limits except for those costs covered by any other valid and collectible insurance policies. No one will be admitted to the camp without a signed release and a given insurance policy number. A full time certified trainer will be on staff to assist with any injuries and will assess if any further assistance outside of camp will be needed. You will need to bring your own supplies if you need to be taped for competition.

Equipment and Clothing

Bedding for twin size, towels for showering, and swimming, necessary toiletries, pillow, basketball shoes, T-shirts, shorts, socks, swimsuit, and spending money.

Camp Parking
